Michael Edward Cole

December 9, 1981- November 17, 1998

The Class of 2000 would like to dedicate their yearbook to a special friend who left them too soon. Michael E. Cole would have been a senior, graduating with the Class of 2000. Unfortunately, due to a tragic accident, Mike is unable to graduate with his class.

Mike was the type of person who liked everyone. He gave everyone he met a chance to be his friend. He played soccer, basketball, and was a member of the track team. He had many friends. To his closest friends, he was like a brorther. To his coaches, he was like a son. Michael has been and will continue to be missed: however, those who were close to him know that he is still here. We loved him before, and we will continue to love him forever.

Nothing Gold Can Stay

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

-Robert Frost

A message from Superintendent-Director Mr. John M. Jones

To the Class of 2000,

Pride has been defined as "satisfaction in one's achievement" and suggests synonyms such as dignity and self-respect. Although you have had in the past and will have in the future many opportunities to be proud, there are few occasions when that special feeling is stronger than it is on your day of high school graduation. Some will enjoy other graduations as time goes by, but the satisfaction of accomplishment that you feel now may never be greater because this is that special time when you leave the security of youth and assume the responsibilities of adulthood.

Your diploma is physical evidence of your success and contributes to your sense of self-satisfaction, but pride and the excitement that is part of being proud at this time is not an occurrence to be taken for granted. Your sense of pride to a greater or lesser extent is in direct relationship to your own concept of self-worth.

The essence of pride is self-respect. To the extent that you have self-respect you are likely to respect those with whom you relate and you can be assured that they will respect you in return. Armed with the education you have obtained at Tri-County, you will enter adulthood full of confidence, hope and pride.

My congratulations and best wishes go with you as well as my sincere appreciation to each of you for having been with us these past four years.

Sincerely,

John M. Jones
Superintendent-Director

A message from Principal Mr. Peter H. Rickard

To the Class of 2000

I remember clearly your first day at Tri-County. I can picture your class sitting in the auditorium waiting to be sent to your first period to receive your schedules. I feel quite confident that in the four years which have passed, you've learned a great deal, have acquired saleable skills, and have grown and matured. Take time to think back over your high school years and recognize your teachers who have been there to help and assist. Take time to reflect upon those others, in and out of school, who have supported and guided you.

As you enter the workforce or continue your formal education, take the time and make the effort to help others. It is one way to thank those who were there for you. Keep in touch with us at Tri-County. Let us know of your achievements and successes.

I wish each and every one of you the best.

Yours truly,

Peter H. Rickard
Principal

Class Officers

To the Class of 2000:

Our career at Tri-County has come to an end. It seems like just yesterday we were taking our first steps through the front door. Through our times here at Tri-County we have all grown in different ways and made many friends that we will cherish forever. Many memories have been made which we will always look back on. The good times, the bad, we've dealt with it all. Nothing seems to hold us back. As you leave here always remember, "Climb high, climb far. Your goal the sky, your aim the star."

We will always remember our class of 2000. Thank you for allowing us to serve as your graduating class officers. Good luck with all your future endeavors.

The 1999 fall cheerleaders had a terrific season. They worked extremely hard creating new and energetic routines. Each performance dazzled the spectators. As the season progressed the girls excelled in their skills, learning new cheers, difficult stunts, and toe tapping dances. They created a team all working toward a single goal, successes for each performance.

The cheerleaders performed at all Varsity Football games, home and away. They motivated the players to strive for excellence. The girls also organized the second annual Pep Rally, which was a huge success. The Pep Rally kicked off the Homecoming Dance and football game.

Thanks to the contribution of everyone, the eighteen-member squad of cheerleaders had a great season. Senior captains were Kate Guimond, Jessica Harrop, and Kate Lumnah. These girls, along with senior Jen Levesque, will be missed.

The season started with only three runners and only one veteran from last year. Jamie Long proved to be unstoppable, as he was the first Cougar to cross the finish line in every meet. Senior A.J. Barry was elected captain; the ranks swelled to eight runners. They included senior Jared Esterly; junior Andy MacLennan; sophomores, Jamie Long, Jamie Briere, Patrick Kelly, and Jay Genoa; and freshman Steve Callaghan. What the team's 2-6 record does not show is all the hardwork and dedication, with "Personal Bests" almost every week, achieved by this very young team. Most will be back next year, and we hope to be a more consistent team.

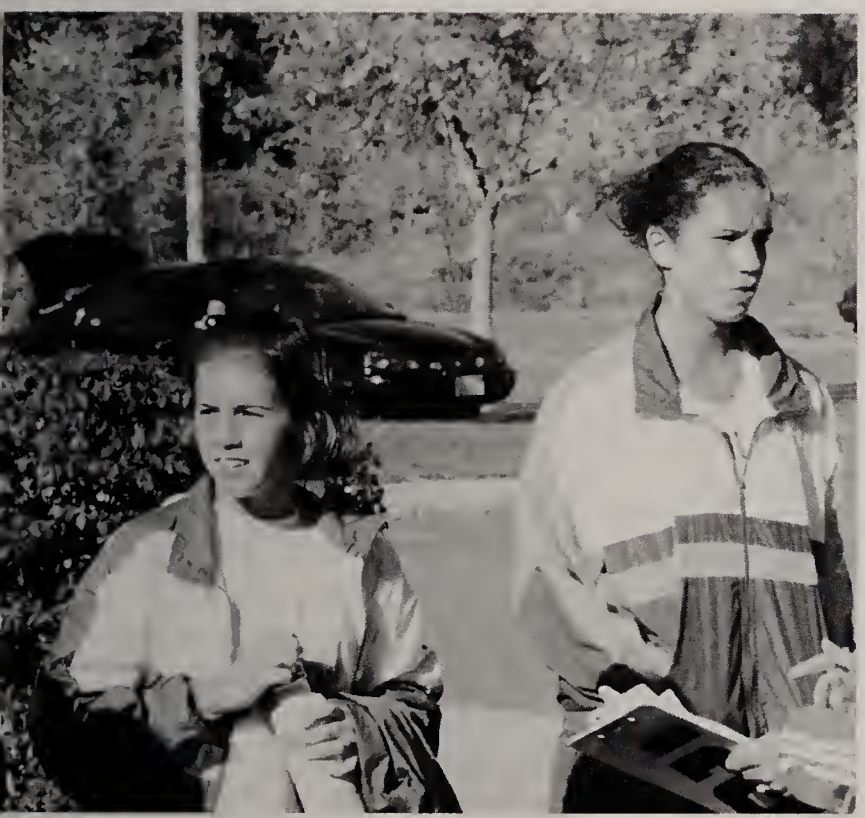
Girls Cross Country



The highlights of the Girls' Cross Country season were measured in each girl's individual achievements. All the runners were able to surpass their times from last year. More importantly this team worked very hard and gave it their all at every meet. Although many schools did not have a girls running team, Tri-County's efforts could not be stopped. Thankfully we had no seniors, so all the girls will be returning in the fall. We encourage anyone interested to sign up next year. We don't just run, we have fun too!

If spirit alone could win football games, the Tri-County Cougars would be division champs. With 65 players this season, an increase of almost 60% since 1996, the '99 TC squad could be the largest ever. Although there have not been high numbers in the "wins" column, the team has shown dramatic improvement in teamwork, focus and courage. This year's Cougars have racked up 30 points more than they did all of last year against some very tough opponents.

The team was led by an outstanding group of seniors: Wayne Bujold, Aaron DuBois, Danielle Hurder, Joe Martel, Greg O'Connell, Dwight Savadyga and Captains Joe Byrne, Mike Hennrikus, and Derek Keiser. Although the goal of a .500 season was not within our reach this year, these seniors have demonstrated the character and leadership that is necessary to keep the team unified through a challenging season. It has been a pleasure to have these young men in our program. Great opportunities for these student athletes will be seen in the future.

The Tri-County golfers had a fantastic competitive season from the opening nine-hole match to the final eighteen-hole championship tournament. The performances in the opening match demonstrated improved aggressive play for each member. In only the third season of competition, the TC Cougars had a record of 8-4-1, earning the Mayflower League, Division II Championship. The team also placed fourth in the Mayflower League Stroke Play Championship, 16th in the state regional tournament and second in the State Vocational Championship. The final performance fulfilled the promise foreshadowed in the early season matches and provided a fantastic finish to an outstanding season. We thank seniors Jay Martin and Jacob Donnelly for their leadership, competitive spirit, and encouraging attitude and wish them well in all their future endeavors.

The 1999 Cougar varsity soccer team accomplished its most successful year yet during Coach Vernon's tenure. The final season record of 9-5-5 does not begin to indicate the polish and the effectiveness with which the team performed. Most indicative of the team's solid work was the game against Medway, the previous year's state champion, in which the young Cougar defense stymied the opponent to a 0-0 result for the first sixty minutes.

Senior captains Scott Duran, Gavin Guerino, and Steve Masse, along with senior three time all star keeper, Paul Beach, led the team to this highly successful season. These four seniors will be sorely missed.

However a strong contingent of starting juniors including Mayflower all stars Scott Mark, Derek Hagerty, and Matt Quesada, along with additional underclassmen will solidly anchor next year's squad. The Cougars are looking forward to some big time accomplishments next fall.

Soccer

Although the JV Soccer team's record may indicate otherwise, the season was a success. The Cougars faced several teams during the season that would have presented a considerable challenge to even an experienced varsity team. Lead by Seniors Mary-Elizabeth Morgan and Adam Zacchilli, the young Cougars played to the best of their abilities and never once packed it in. Due in part to a strong work ethic, simple grit and determination, and an unwillingness to back down, the Cougars were in every game despite often being matched against superior opponents. All team members should be proud of their contribution to a winning season.

The 1999 Volleyball season started with the loss of several key players. However, led by Captain Jessica Johnson, the ladies worked hard to form a solid unit. The lady Cougars battled proudly, improving with each contest. By the end of the season, everyone on the squad had shown dramatic improvement in the individual statistics and more importantly, showed that they had what it takes to form and be part of a competitive team. We bid our seniors goodbye and good luck and will take their spirit with us into our upcoming volleyball season.

Boys Basketball

The boys varsity basketball team only returned Jared Esterly from last year's team, but they managed to stay competitive throughout the year. Jared, a league all star, was aided by seniors Scott Duran, Mike Hennrikus, Jeff Kilroy and Greg O'Connell. As the team improved they were able to beat league power Cape Cod Tech late in the season. Scott Duran swished two foul shots to seal the victory, while Jared Esterly scored 24 points. The future looks bright as juniors Paul Hallisey and Brian Cicciariello along with sophomores Jake Esterly and Bill Thomas will return with much varsity experience. The boys always played hard and were fun to watch.

The 1999/2000 team was led by Junior Captain Jen Barry. With six "lettermen" returning the Cougars were still a young team: two Seniors, five Juniors, one Sophomore and two Freshmen. As the season progressed so did the ladies. One of the most memorable moments was the last second win over division leading Southeastern 51-49. The team improved, individual players improved and the friendships gained through the season certainly made for a successful campaign. We will miss our two Seniors, Mary Morgan and Kelly Carter, and also wish them luck with their future endeavors.

I would like to congratulate each and every cheerleader, on a terrific winter season. During this session, the girls cheered at all Boys Varsity Basketball games 2 to 3 times a week. The girls worked extremely hard preparing for each and every performance. They worked on new dance routines, perfected existing dances and enhanced their cheering drills. The girls practiced 5 days a week, 2 hours each day. Seniors Jen Levesque, Jessica Harrop, Kate Guimond and Kate Lumnah are four girls who are extremely talented in their sport. These girls have been cheering for the past 4 years, participating in both the fall and winter seasons. I would like to thank each of you for your years of dedication to the sport and I hope you have many memories of cheering at Tri-County.

The Cougar wrestling team put forth a great effort this season, although their dual meet record does not reflect it. Wrestling is a very demanding sport, mentally as well as physically. Wrestlers need to be in top condition when they step onto the mat to compete, one on one with their opponent, in front of a gymnasium full of fans. The coaches were very pleased with the way the team carried itself while representing Tri-County. The graduating seniors will be missed, but the underclassmen will no doubt step up and fill the void.

The 2000 edition of the Tri-County baseball team opened their campaign April 5th with a home game against Nantucket. This year's team looks to improve upon last year's successful squad, which ended the season with an impressive 17-5 record. The Cougars lost some key players due to graduation, but with their pitching staff led by Senior Jason Romans and Junior Keith Brown, still intact, the Cougars look to be a strong contender in the Mayflower League. Other key returnees include Seniors Sean Therrien, Greg O'Connell, Mike Hennrikus, and Jacob Donnelly. Juniors Jim Tornabene and Brian Miller will solidify the outfield and Sophomores Matt Udell and Chris Robinson will provide strong defense and speed in the infield.

With strong senior leadership and a talented group of underclassmen, this year's edition of Cougar baseball has expectations of a rewarding and successful season.

Lacrosse

The sport of lacrosse was introduced this year at Tri-County and the season was a complete success. The young Cougars posted an impressive record of 7-7-1. The team was organized at the JV level, and consisted of 25 players. Prior to the season, only a handful of the players had ever held a lacrosse stick in their hands, let alone play the game on a competitive, high school level.

The season started off slowly as the young team was soundly defeated in their first two contests. The Cougars went up against two very strong teams, one of which was a team that had been organized at the JV level for years. During those two games, Tri-County was out scored by a total of 17-1 and it looked as if the season would prove to be a painfully long learning experience. The next six games proved to be pivotal for the Cougars, however, as they recorded four wins and one tie and out scored their opponents by 34-23. During that time, the young group of new lacrosse players became a team, developed some confidence, and began to understand how to play the game. The Cougars had proven to themselves and the league that they were capable of competing with established teams.

As a whole, the Tri-County lacrosse team has a lot to look forward to. As the entire team consists of underclassmen, every player will have the opportunity to return next year. If the Cougars can build on their recent success, next year's team should be awesome!

The team experienced its best season in memory. It is with sadness and appreciation that the team says good-bye to seniors Jen Cardoza, Danielle Hurder, Mary-Elizabeth Morgan, Kate Guimond and Tricia Laronga. We look forward to another successful season in 2001. The remaining players promise to continue the excellent effort displayed by the seniors.

Track & Field

The 2000 Tri-County Track and Field team could affectionately be called the "fun bunch." The team, both boys and girls, worked hard and competed well all season. Despite many talented and strong opponents, the Cougars still managed an even season, winning just as many meets as they lost. Final performances were given by seven graduating seniors: A.J. Barry, Joe Byrne, Kelly Carter, Jared Esterly, Derek Keiser, Dwight Savadyga, and Adam Zacchilli. These senior captains will sorely be missed. However, there is a strong contingent of underclassmen including fourteen juniors, nine sophomores and nine freshmen. The future bodes well for the young Cougars.

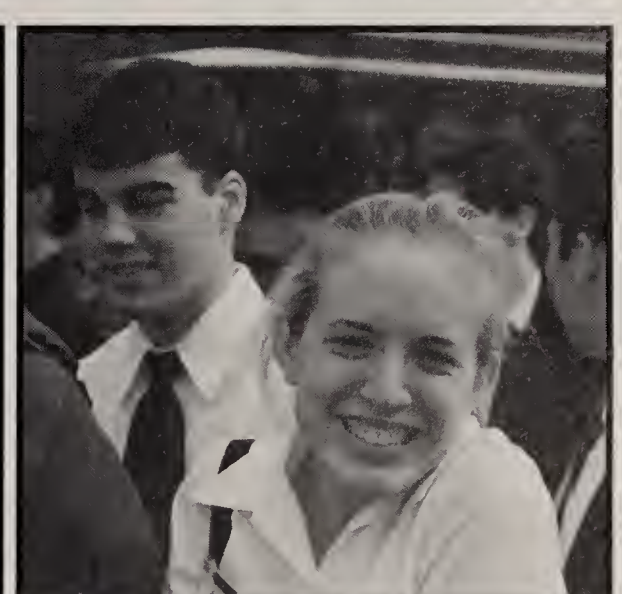
Winner of $200: Mary-Elizabeth Morgan



Tri-County's marketing students competed in the State Deca Competition at the Sheraton Ferncroft, in Danvers. The following Tri-County Marketing students achieved minimum competency on their written test in their specific event. These DECA participants were:

Christy Parker and Emily Carson in the Apparel and Accessories-Associate Level series event.

Tim DelloRusso in the Retail Merchandising-Associate Level series event.

Katie Panciotti in the Quick Serve Restaurant Management series event.

James Shea in the Full Service Restaurant Management series event.

Lisa Pero in the Vehicles Petroleum Management series event.

Christy Parker and Emily Carson also came in 3rd and 2nd place respectively on the specialty oral event in the Apparel and Accessories-Associate level series event and Christy Parker placed top ten over all in the State.

Michelle Frievald, Katie Giancola, and Laura Hinds placed in the top ten on their Civic Consciousness Project.

The following students finished third or better in their event and will now compete at the National DECA Competition in Louisville Kentucky. They are the following:

Michael Brayman and Rachelle Maenhout 3rd place all around in the Hospitality Decision-Making Team event.

James Shea 3rd place overall in the Full Services Restaurant Series Event.

Finally James Shea and Michael Brayman were both re-elected to a 2nd term as State Officers.

DECA

An Association of Marketing Students

DECA, a national association of marketing education students, provides teachers and members with educational and leadership development activities to merge with the education classroom instructional program. DECA is not extracurricular; it is an integral part of the classroom instructional program. DECA chapters attract students who are interested in preparing for entrepreneurial, marketing or management careers. While DECA membership consists primarily of students in marketing programs, membership extends also to alumni and to professionals in marketing education and in marketing teacher education. Working hand-in-hand with the education and business communities, DECA's goal is for its student members to develop a "career success kit" to carry into their business and personal lives after graduation; one that includes:

- Occupational competencies needed for careers in marketing, management and entrepreneurship
- Leadership abilities
- Social and business etiquette
- Understanding and appreciation of civic responsibility
- Ethical behavior in personal and business relationships
- Understanding the role of our free enterprise system in the global economy

To accomplish this, DECA utilizes on-the-job experience, chapter projects, and a program of competency-based competitive events in specific marketing occupational areas. These events emphasize academic and vocational excellence as building blocks for successful marketing and management careers and demonstrate the direct relationship between marketing education and the real needs of business and industry. Each year ***more than 110,000 students participate*** in the competitions on the local, state and national levels.

Chess Club

Tri-County has a new club. The Chess Club was started this year to introduce the intellectually challenging game of chess to the students. Organized by Mr. Garland, Electronics Instructor, the Chess Club meets every Tuesday after school. New strategies are introduced to the students to expand their end game, middle game and start.

The students not only compete against each other in the school, but also compete against players from around the world on the Internet. A rating system was devised to rank each player in school. The players compete against each other using tournament rules. The top players compete in state competitions.

The Tri-County Chess Club is a member of the U.S. Chess Federation and each player who competes on a state level is a member of MACA (Massachusetts Chess Association) and receives a state rating based on their state tournament scores.

The Chess Club recently played in their first state tournament. Tri-County made a strong showing considering it was their first tournament. The club's motto is, "The more you play, the better you become." Make your best move to the Chess Club today!

Cougar Culture

The Cougar Culture had a very successful year. The student newspaper published three editions this year, and hopes to print even more next year. Members of the Editorial Staff were: Mark Buttrick, Erik Sousa, Nick Taddeo, Janet Sawyer, John Collari, Rachelle Maenhout and Erin Gearty. Members of the Writing Staff were: Amanda Madden, Kelly Carter, James Shea, Ann Thomas, Jaime Jordan, Eric Murphy, Amanda Speeckaert, and Tiffany Roberts.

Graduation Ceremony

It is with both sadness and anticipation that we say goodbye to the Class of 2000. We know that they have many happy memories to reflect on - their time at Tri-County was well spent. We also know that they have many things to look forward to as well. We wish them the best as they venture out to follow their dreams. Continue to contribute to society, and continue to help one another. Stay in touch with your classmates, and keep up with them as they follow their dreams.

"My days of old have vanished, tone and tint. They have gone glimmering through the dreams of things that were. Their memory is one of wondrous beauty watered by tears and coaxed and caressed by the smiles of yesterday."

Kate Guimond

To our daughter Kate,
From the day you came into our lives on January 21, 1982, to the young lady you've become today, you have made our lives so complete. We want you to know that we are very proud of you for all the things you've accomplished. It's been a long road but we knew you could do it. Always be the bubbly person we know and love, and always be there for others.

We'll love you Always & Always
